CNF Takes A Bite Out Of Hunger

SAN ANTONIO Dec. 9 2016—CNF employees, family, and friends proudly donated over 300lbs of non-perishable goods to the San Antonio Food Bank. The San Antonio Food Bank provides food and grocery products to more than 500 partner agencies in 16 counties throughout Southwest Texas.

Many families go without during the holiday season. CNF teamed with the San Antonio Food Bank to support the Healthy Options Program for the Elderly (HOPE). Project HOPE provides senior citizens with monthly supplemental grocery support to fight hunger and malnutrition amongst the elderly in our community.

About CNF Technologies

CNF Technologies (CNF) was incorporated in 2005 as a small disadvantaged business. Since inception, CNF has been providing the San Antonio cyber workforce with distinguished careers, professional development, and continuing education benefits. Fred Ramirez, Founder of CNF is dedicated to customer mission success, employee fulfillment, and giving back to the San Antonio community. CNF has a dedicated community outreach program with an established scholarship and internship program at a local university, a partnership and cyber camp with a local high school, and an annual donation drive to give back to the San Antonio community.

“At CNF, I believe our employees are our greatest strength and I take a personal interest and focus on ensuring their personal and professional growth and advancement. Without their expert knowledge, dedication and passion in everything they do, we would not be able to support our client's mission.” – Fred Ramirez, Founder
