CNF Lights Up Downtown Hemisfair Park

SAN ANTONIO OCT. 14, 2017—Shimmering in a sea of yellow, white, and red lanterns, CNF once again proudly participated in the annual Light The Night Walk in support of the Leukemia & Lymphoma Society (LLS). The LLS mission is to fund research for cures and enable access to treatment for all blood cancer patients. CNF is proud to support this cause and grateful to all employees, family, and friends who generously donated and participated in this year's event.

The Light The Night Walk is a fundraising campaign that brings the community together for an exciting gathering at Hemisfair Park followed by a stroll downtown while illuminating the night with the LLS signature lantern. There are three colors of lanterns carried during this walk: the white, to honor survivors, the red to support

patients and finding cures, and the yellow in remembrance of those we've lost. CNF exceeded its goal raising over \$2,800 and is looking forward to increasing that amount next year.
